ENGINEERING DEPARTMENT.

WATER SUPPLY DIVISION, BANGALORE.

Notification dated 17th July 1933.

Notice is hereby given that sealed quotations will be received at the Office of the Executive Engineer, Water Supply Division, up to 7th August 1933, till 3 P.M. for laying a sub-main of 3" and 2½" C. I. pipes in Huriopet connecting the same from Avenue Road to Sreenivasamandiram Road, Bangalore City. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of 30th September 1933.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Water Supply Division, Bangalore, between the hours of 11 A.M. and 5 P.M. on all office days.

3. Tenders should be submitted on printed forms, which may be obtained from the Executive Engineer. The quotation should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of rupees seventy in cash as earnest money and be superscribed tender for "Laying a sub-main of 3" and 2½" C. I. pipes in Huriopet connecting the same from Avenue Road to Sreenivasamandiram Road, Bangalore City" in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Charges on acccount of scaffolding materials, implements for setting out, barricading, clearing site, supply of water, etc., that may be found necessary during execution will not be paid for separately, but should be borne by the contractor.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for contractor's profit,

11. In all matters not specifically provided for, and in all matters of disputes about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision, of the Executive Engineer, Water Supply Division, will be final and legally binding.

12. Quotations must be shown in words as well as in figures and they must be in specific term of unit shown against each item of work. Any quotation quoted at so much percentage less or more than estimate rate will not be accepted.

13. Any tender containing a conditional clause contrary to these requirements or making stipulations not provided for either in this advertisement form or the abstract quantity, will be summarily rejected.

Abstract estimate of quantities for laying a sub-main of 3" and 2½" cast iron pipes in Huriopet connecting the same from Avenue Road to Sreenivasamandiram Road, Bangalore City.

H. F. MARKER,
Executive Engineer.

MYSORE DIVISION.

Notification, 20th July 1933.

It is hereby notified for general information that the old Public Works Department Sub-Division Office building at Hunsur, Mysore District, will be sold by public auction at Hunsur on Monday the 6th September 1933 by the Executive Engineer, Mysore Division or his authorised agent. The description of the building to be auctioned and its area are noted below:

The conditions of sale are as follows:—

(1) The auction will commence at 3 P.M. and if not concluded on the same day will be continued on the next day also.

(2) No person is allowed to bid unless he deposits with the Officer conducting the sale a sum of Rs. 10 which must be deposited in the form of currency notes. The deposits of unsuccessful bidder will be returned immediately after the sale.

(3) The building will be knocked down to the highest bidder subject to the confirmation of the higher authorities who at his discretion may accept or reject the highest or any other bid without assigning any reason therefor. The Executive Engineer has the discretion to suspend the sale if proper bid is not forthcoming.

(4) The successful bidder shall at the close of the sale credit into the Hunsur Taluk Treasury to 17 (a) Public Works Deposits the entire sale amount including the deposit already made. In default the deposit will be forfeited and the building resold. Such resale will be at the risk of the defaulting purchaser who will be liable to make good any loss that may result to Government by it, but will not participate in any profit occurring therefrom.

(5) If the sale is not confirmed the amount will be refunded.

(6) The successful bidder shall bear all charges on account of stamp paper and registration fees if he wants the sale deed to be executed and got it registered after the confirmation of the sale.

(7) Any further information can be had in the Office of the Executive Engineer, Mysore Division, the Sub-Divisional Officer, No. 2 Sub-Division, Hunsur.

DESCRIPTION OF THE BUILDING.

(1) Plinth area is 58½ x 39½ or 2301 S.ft.
(2) The walls are partly built of mud wall and partly of burnt brick in mud.
(3) It has Arcot tiled roof.

K. NARAYANA IYENGAR,
Executive Engineer.

CHITALDRUG DIVISION.
